VOTE ONLINE:

The survey includes locations in seven states (VA, WV, KY, TN, NC, SC, GA), based on U.S. Travel Association data that identifies the fastest percentage growth in tourism-related spending from 2016 to 2017.

The top 5 vote-getting destinations in each state will be announced in Blue Ridge Country magazine's July/August issue, out in mid-June.

You may vote in as many of the seven states as you feel qualified to, and you may select up to 3 destinations in each state. However, each voter may submit only **ONE ballot per state**.

Thank you for voting for Rabun County!
