

Sky Valley Property Owners Association Annual Meeting and Candidates Forum – Oct. 18

Our final meeting of the season is 3 PM October 18 at the Sky Valley Club. We will elect SVPOA board members and present charity donations in a brief business meeting. After the business meeting we will host a forum for the mayor and city council candidates.

A committee of POA board members – Edd Dean, Dan McAfee and Doug Palmer – will ask questions and give each candidate equal time to answer, as well as make an opening and closing statement.

State government officials will provide questions for the mayor and city council candidates. They will place the questions in a sealed box so none of the committee members or candidates will know the questions before the forum. We hope this forum will help Sky Valley voters make informed decisions for the November 7 election. See candidate list below.
