### **COVID-19 Vaccine for 65+**

The Rabun County Health Department has begun scheduling appointments for the Moderna COVID-19 vaccine for county residents over the age of 65. Vaccinations will begin January 11.

Due to the large volume of calls, Health Department personnel ask that you DO NOT call to schedule an appointment but come to their office instead. You may have to stand in line so please dress warmly.

The Rabun County Health Department is in the two-story red brick building at 184 South Main Street in Clayton, just south of the Clayton Pharmacy. Parking and the entrance are behind the building.

You will need to wear a mask and will be asked to fill out a form to schedule an appointment. You may need your driver's license to prove residency.

Wishing everyone a safe and healthy New Year,  
Ed Steil, president

PS: Remember you can watch Sky Valley weather on the [webcam](#) at the clubhouse and get details on our dedicated [weather channel](#). They are both linked on the [SVPOA website](#), along with properties for sale and more information about your association.
