THANK YOU for roadside clean-up

City Council member Bruce Turner requested that we send a big **THANK YOU** to everyone who came Friday to remove trash on the Bald Mountain/Mud Creek roadside leading to Sky Valley. There were so many volunteers that not everyone could participate...what a wonderful problem to have!

Councilor Turner is planning **another clean-up day in the spring** so everyone can help dress up our great city. He also sends many thanks to our new city manager, Mickey Duvall, who came out to help and meet Sky Valley citizens on the third day of his new job.

Welcome, City Manager Mickey Duvall! We are fortunate to have someone with his education, experience, and commitment to excellence. Mickey is a native of Macon County, North Carolina, and has more than 30 years' experience in local government in western North Carolina. He holds a master of Public Administration degree with a focus on City/County management.

Sincerely,
Ed Steil, SVPOA president
