

## **Sky Valley Property Owners Association General Meeting 17 June 2026**

President Grace Guess called the meeting to order at 3 p.m.

Grace Guess reported that the **Welcome Back** party on June 19 has 104 reservations. She reminded everyone of upcoming events: **Pancake Breakfast** (June 20), **State of the City** report (July 15), and **Purple Heart** recognition (August 5). The July and August meetings are open to the public.

She reported that the SVPOA **treasurer** resigned and that Kathy Meidlein now serves as treasurer. This means we need a new board member to serve as recording secretary. Lasandra Anthony volunteered to serve as recording secretary and was approved by unanimous vote.

Bruce Gant reported that tickets are on sale for the July 3 **Sid Weber BBQ** that benefits cancer patients in Rabun County. The Sid Weber Memorial Cancer Fund has raised \$1.2 million since it was founded in 2005.

Barbara Kobacker announced that **Aquanuts** is open to all at no charge, meeting at the timeshares pool for gentle exercise every day Monday through Friday at 9 a.m.

Grace Guess reminded everyone that the **Property Owners Association** is not an HOA; it does not enforce rules for homeowners. That is the city's responsibility. The Property Owners Association is a social organization to get to know your neighbors and learn about Rabun County.

Don Germano introduced the **program**: David Hodgson discussed genetic research on "reverse aging" and considerations for remaining at home as we age.

Respectfully submitted, Debbie Dalhouse (substituting for Kathy Meidlein)
